

book4time

INSPIRING INNOVATION

Award-winning cloud software for
the spa & wellness industry

**PROFIT
500**

**Inc.
5000**

Increase revenue & profitability, enhance your business more efficiently

ONLINE & MOBILE BOOKING

A fully integrated booking system that makes it easy for guests to book appointments online, and helps you keep track in one simple place.

MARKETING TOOLS

Loyalty points, referral incentives, gift cards, and spa packages — everything you need to improve guest experience and drive revenue.

REVENUE MANAGEMENT

A comprehensive POS system that seamlessly integrates with your preferred payment processor and PMS to optimize your operations and boost profits.

“**Book4Time has been a godsend. It’s simplified appointments, inventory, adding services, and more. Book4Time simplified everything we did and we recommend Book4Time 10 out of 10 times.**”

Improve guest experience and manage efficiently with Book4Time

GUEST EXPERIENCE

One central location to manage guest profiles, product purchases, and customer activity,— it's never been easier to personalize each visit and gain a loyal clientele.

INTELLIGENCE & REPORTING

Real-time intelligence capabilities and a central dashboard help you manage it all: forecast revenues, discover purchasing trends, track KPIs, and more!

INVENTORY MANAGEMENT

A secure spot where you can store vendor records, restock retail products, track inter-company transfers, and even monitor purchase order progress in real time.

**made everything easier — whether it's
adding products or something else.
put it all in one single location. I would**
